## **PRESS RELEASE**

March 24, 2014

### **SWEEPING PROGRAM**

The Vernon Public Works Department's annual sweeping program will soon begin. Residents and business owners are required to sweep sand from their sidewalks, driveways, and handicapped ramps (if applicable) into the gutterline in long rows. Sand should not be swept into piles as it retains moisture and is difficult for our sweeper to collect.

If it is necessary for residents to park on the street, we ask that vehicles be moved when the sweeper and crews are in the vicinity.

Robert J. Kleinhans, Director
